

SESSION 4 AMARILLO CASE

“WHY WE STAYED” WORKSHEET

After watching the “Why we stayed” video, take time to respond to the following questions and prepare to share them with your facilitator during your Session 4 debrief:

- 1) What was going through your mind as you listened to the stories told by these survivors of domestic violence?
- 2) Did anything change for you the way you think about victims of survivors? Why or why not?
- 3) After watching the video and thinking about the Amarillo case from your case note review, how do you think the domestic violence allegations were handled for this case? Would you have done anything differently? Why or why not?
- 4) How do you think hearing these stories and reading the information about domestic violence might influence your volunteer advocacy?
- 5) What else do you want to learn about this topic or concerns that you have, as it regards your participation as a CASA/GAL volunteer?
