SPONSORSHIP PACKAGE

A photograph of a social event held in a brick building. The room is dimly lit, featuring a large disco ball hanging from a metal truss system. Several people are visible, some standing and talking, others seated at tables. In the foreground, a person is seen from behind, wearing a white t-shirt with a butterfly graphic and the text 'SENIOR' and 'MUSICIAN'. The floor has a black and white checkered pattern. The overall atmosphere is that of a community gathering or fundraiser.

The Art of Caring is a unique experience of art and advocacy uniting for the greater good of our children in Baltimore City. One of a kind art pieces are auctioned off and proceeds are used to support children who have become victim to child abuse and neglect.

**CASA of Baltimore provides these children with the unwavering support they need and your contributions can change the lives of hundreds of underserved youth.**
